Dear Families,

We are excited to share an upcoming event with you. Last week we sent home a letter asking for \$10 to be put towards upcoming school events. Part of the money will go towards an upcoming field trip. In June, we are planning an exciting trip to the Calgary tower. As part of our Social Studies curriculum we have been learning about our communities and place in the world. This visit also ties into our study of Canada. During the visit the students will get to engage in some exciting activities and see their city from a different perspective. Please remember if you are interested in volunteering to lead groups of students during the day you will have to have your police clearance. This can be obtained through the school office but it takes 3-5 weeks to process. Your clearance will last for 5 years so now is an excellent time to get the process started. Stay tuned for more exciting details about the event.

This week in school we are continuing with spelling and our Canada study. Our spelling words are: not, what, all, were. Home reading exchanges continue to take place on Monday, Wednesday, and Friday. We are seeing tremendous growth in the students in their reading abilities. Keep up the amazing work! Finally, this weekend we celebrated Earth Day! In order to show appreciation for the Earth we are asking the students to consider bringing a **garbage free**, and **healthy** snack. By using reusable containers, we can reduce the amount of waste in the word.
