Dear Families,

Happy Family Day! This week is another short, but exciting week of school. On Wednesday, we have our first field trip to the Telus Spark science centre. Both morning and afternoon classes will be gone all day. Remember to have your child pack a healthy lunch, snack and water. All students should wear their formal uniforms. If your child has not yet returned their permission forms, then they must have them at school on Wednesday morning or they will not be able to come on the field trip.

Last week we celebrated Valentine's Day. The students had a lot of fun giving cards to their classmates and making a variety of arts and crafts. We also have been continuing on our spelling work. This week's words for spelling review are: he, she, was, the, in.

Reminders:
