

January 21 - 25

- This week we are beginning our spelling program. Please review the letter in your child's agenda pouch. This letter explains the goal of the program and how you can help your child.
- These words will be completed in your child's blue printing book each night and returned the following day (in the same way we did our grapheme homework).
- At the end of the week there will be a spelling review where we quiz the students on the words learned that week plus a couple words from previous weeks.
- Homework will only be in the blue notebooks for a few weeks until we get our spelling program going.
- This week is our Winter Sports day. The AM sports day is Thursday morning. The PM sports day will be with the rest of the school on Friday morning. Please dress your child for the weather as we will be outside for a significant period of time (snow pants, hat, mittens, the works).
- **There are no uniforms required this week. Students may wear casual clothes instead.**
- Note: we will be celebrating Valentine's Day in our classes. We ask that all students bring Valentines for everyone in their class. This will be part of homework coming up in following weeks (more details to follow). We will provide printable Valentines online but we wanted to inform you in case you wish to purchase your own at the store.
- **Please remember we are unable to share or distribute food or candy treats for Valentine's Day or any holiday.**

Monday:

- PM Library Day
- **Homework:**
 - Blue Notebook: Printing the words cat and dad (5 times each word as carefully as possible and sounding out the word)
