

June 4th, 2017

Dear Families,

Welcome to June! Our final month in Kindergarten is sure to be exciting. This week is our field trip to the Calgary Tower. As a final reminder, Ms. Enerson's classes will be going on the field trip on Tuesday. Mr. Rip has regular AM and PM class that day. Then, on Wednesday both of Mr. Rip's classes will be going on the field trip while Ms. Enerson has her regular AM and PM classes. We will be gone all day so students need to bring lunch, snacks and a water. Also, students should wear their formal uniforms.

On Friday, it is our school Sports Day. Students attend during their regular school times. We will be having a lot of fun outside so make sure you send your child in sunscreen and with a hat. Also, if there are any parents interested in volunteering during the PM class please let your teacher know.

Library book exchange is over for the year. Please return all library books so Ms. Baki can begin organizing the library for the end of the year.

Due to the field trips and Sports Day, we will not have spelling homework this week. Instead we will be having a 26-grapheme review on Thursday. Please take some time during the week to practice tricky graphemes that your child may have gotten incorrect on previous grapheme reviews.
