

Tuesday, October 9<sup>th</sup>, 2018

Dear Parents,

Welcome to week two of homework! We hope you had an excellent Thanksgiving. Here are some important notes for the week:

1. We were very impressed by how quickly the students took to completing their homework daily last week. They did an excellent job of bringing their printing book into class each day and showing off all of their hard work.
2. Sorry for the confusion! Students are required to complete 5 letters each night not 5 rows of letters. These five letters should be carefully printed, as neat as possible, and fit between the lines. Please use the line done in school that day as a guide.
3. There is a Character assembly this Friday. This assembly will be attended by our PM students as they have class this Friday. AM students are welcome to attend; however, they must come with and be supervised by their parents.
4. Our Scientists in Schools in-class activity is coming up fast. Please return payment by this Thursday. Parents with a valid police clearance and who are interested in volunteering should notify their teacher in their child's agenda.
5. Halloween is coming up on October 31. During the day we encourage children to dress up in their Halloween costumes. Please do not wear anything too scary or with gory makeup, and leave the weapons at home.

### This week:

#### **Wednesday:**

- AM Library Day

#### **Friday:**

- Character Assembly (this will be for the PM class only)

### Coming Up:

- RazKids and IXL accounts
- Science Workshop on Oct. 15 and 16
- Halloween information for October 31

Homework Chart:

Monday	Tuesday	Wednesday	Thursday
No school, Thanksgiving	<p>- <b>Blue:</b> Print 5 “f” graphemes. Print slowly and carefully.</p> <p>- <b>Green:</b> Draw a picture of something that starts with the sounds of the grapheme “f”. Write down the words if able.</p> <p>*Pack up homework and bring it to school to be checked.</p>	<p>- <b>Blue:</b> Print 5 “g” graphemes. Print slowly and carefully.</p> <p>- <b>Green:</b> Draw a picture of something that starts with the sounds of the grapheme “g”. Write down the words if able.</p> <p>*Pack up homework and bring it to school to be checked.</p>	<p>** Hand in homework.</p> <p>** Quiz</p>
