

KEEPING THE HOME LANGUAGE ALIVE

Central Library Level 1M – Kids Tech Lab

April 17 | 4:30 - 5:30 pm and 5:30 - 6:30 pm

Parents/caregivers and their children are invited to spend an evening with Calgary Board of Education (CBE) and Calgary Public Library (CPL) staff learning about the importance of maintaining your home language in order to support your school aged child/children learning a new language. You and your child will be engaging in a variety of activities that promote the use of your first language to support literacy development. There will be opportunities to share with other parents/caregivers great strategies and ideas of how you can support your child/children at home.
